-

5✘ Law & Social Sciences *(For Justice Seekers and Social Change Makers)*

- ✘ **Best For:** Students who have strong reasoning, analytical skills, and a passion for social justice.
- ✘ **Career Options:** Lawyers, judges, policy analysts, social workers, educators.
- ✘ **Recommended Courses:**

- **Bachelor of Laws (LLB):** Essential for careers in law, advocacy, and judiciary.
 - **Bachelor of Social Work (BSW):** Great for students interested in NGOs and community service.
 - **Bachelor of Education (BEd):** Ideal for future teachers and educators.
-

How to Choose the Right Course?

- ☒ **Identify Your Interests & Strengths** – Choose a course that aligns with your passion.
- ☒ **Consider Future Career Opportunities** – Research industry demand and job prospects.
- ☒ **Check Course Curriculum** – See if it matches your skills and long-term goals.
- ☒ **Talk to Professionals & Alumni** – Get insights from experts in the field.

☒ **Final Tip:** If you are still confused, opt for flexible streams like BBA, BCom, or BSc IT, which open doors to multiple career options.
